

# DRINKING WATER PROBLEM CORRECTED

Customers of Center Grove-Winchester Springs Utility District were notified on 1-20-21 of a problem with our drinking water and were advised to boil their water before using. We are pleased to report that the problem has been corrected and that is no longer necessary to boil your water before using. We apologize for any inconvenience and thank you for your patience.

As always, you may contact David Stafford at 931-967-3939 or 40 Pleasant Grove Road.

Please share this information with the other people who drink this water.
